5. 6. In a presentation about bibliographic software, what questions would you wish answered?

Text Response
why use it over just using the search box in my mac where I store all my PDFs (actually I store them on dropbox)
preferred software, how to get help with use
Being clinical faculty I have not published much so I could use a very basic introduction.
Suggestion for which program to use.
What software can sort stored references by various criteria?

Statistic	Value
Total Responses	5

6. 2. How would you rate your ability to use this software? Choose the answer that is closest to your situation.

#	Answer	Bar	Response	%
1	I can do everything with it that I need.		0	0%
2	I use one but I don't use it well.	<div></div>	5	50%
3	I can use it but am not satisfied with the program. It does not do what I want it to	<div></div>	1	10%
4	I have one but I don't use it.	<div></div>	2	20%
5	I never have used bibliographic software	<div></div>	2	20%
